Business with Purpose

October is National Disability Employment Awareness Month

2015 is a milestone year for Americans with disabilities. This is the 25th Anniversary of the Americans with Disabilities Act (ADA). This also marks the 70th year of celebrating National Disability Employment Awareness Month (NDEAM), recognized each October.

The theme for 2015, "My Disability is One Part of Who I Am," emphasizes the message that people with disabilities, like all people, are the sum of many parts - including their work experiences. JobOne is proud to play a role in providing work opportunities for individuals with disabilities. We invite you to visit www.job1one.org to learn more about our mission and the impact we are making in our community by providing meaningful job opportunities.

JobOne CAREERS Program: Making a Difference

Bryan Bosch of Lee's Summit, MO, has been employed at JobOne in the Blue Springs workshop since 2004. Just a little over a month ago, Bryan and his family expressed interest in working in the competitive workforce. His mother opened up a case through

Vocational Rehabilitation and asked to work with JobOne Careers for employment services.

During the discovery and exploration process, Bryan wrote down a list of jobs he would like to perform and/or work. Using the job list Bryan came up with; JobOne Careers was able to schedule a job shadow/work experience with the Price Chopper (Lee's Summit) that is located within walking distance from Bryan's house. Bryan and his JobOne Careers Specialist met with the assistant store manager, who walked them through the process of the job duties Bryan would perform. Bryan was very excited about the opportunity to learn those tasks that were all new to him.

A week later, Bryan was in filling out the application for employment and two weeks later on October 13, 2015, he started his employment at Price Chopper as a Utility worker. Bryan's job duties and responsibilities include: sacking groceries, loading groceries into vehicles (if

UPDATE: Hot Lunch Program Receives Boost from Truman Heartland Community Foundation

Since the spring of 2015 JobOne has partnered with Northwest Communities CDH 'Meals on Wheels' program to provide hot lunches to employees

working at our Independence location. The Independence pilot has been a great success. Employees who choose to participate in the program each day have expressed satisfaction and appreciation for the hot lunch choice. We are proud and grateful to announce that the **Truman Heartland Community Foundation** has awarded JobOne \$2,000 to help fund expansion of this program to our Secure Document Solutions and Blue Springs locations! We plan to make the lunch program available by the beginning of next calendar year.
