Making a Match for the Win!

Dyamond B. was fresh out of high school when JobOne began helping him interview for jobs. After several interviews, he still did not have a clear direction. When Dyamond and his JobOne Employment Specialist stepped into

Dyamond at work and loving it!

there was immediate interest. This was the first time JobOne staff saw him smile! We asked if this may be something he was interested in doing, and he said, "yes!" It's almost like wood class, working with your hands. After the tour was finished and Dyamond watched how the product is built, he stated he would like to work there. He started at Dyna Pier in September making piers for houses with foundation problems. Vince Branaman, Dyna Pier's General Manager, says Dyamond is doing a good job. Thanks to Dyna Pier for all your help and keep up the good work, Dyamond!

It's almost time for Shining Stars, JobOne's annual staff holiday celebration. This event honors our 300+ employees, their families and caregivers, and the community that supports JobOne.

This year, we are thrilled to welcome emcees, Phil Witt and Abby Eden from WDAF-TV 4 and other special guests. Shining Stars will be held Sunday, December 4th at the John Knox Pavilion in Lee's Summit. JobOne employees and their families look forward to this party with much anticipation each year. We expect to have 500 in attendance. **Sponsorships are still available!** If you are interested in becoming a sponsor, you can learn more [here](#).
